Many things are not fully explained. It would seem to boil down to this place, Ilshenar, Like Felucca and Trammel is another Facet of Sosaria. A world that was torn apart when the Gem of Immortality was shattered. A world that knew of the Virtues and followed them. A world set upon by some great evil that they conquered but feared so much that, even though it was imprisoned, they still not dare return. This simple fact has given some of us pause as to the continuation of our exploration for the fear that we may unwittingly unleash that, which has been imprisoned.
